Project Scope:	USR/CNR - Alternate Construction, HARD DISK DRIVE for UL and C-UL investigation covered in Report Ref. No. E182115-A2 - Addition of model designation Model DK7SAAnnn		

Dear Mr.Tatsuoki Shinohara:

UL's investigation of your product(s) has been completed under the above Reference Number and the product was determined to comply with the applicable requirements.

This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark only at authorized factories under UL's Follow-Up Service Program.

To provide the manufacturer with the intended authorization to use the UL Mark, the addressee must send a copy of this notice to each manufacturing location currently authorized in File E182115, Vol. X1.

This authorization is effective from the date of this Notice and only for products at the indicated manufacturing locations. Records in the Follow-Up Services Procedure covering the product are now being prepared and will be sent in the near future. Authorization to apply the UL Mark is only effective for 90 days from the date of this letter.

Any information and documentation provided to you involving UL Mark services are provided on behalf of Underwriters Laboratories Inc. (UL) or any authorized licensee of UL.

Very truly yours,
