## Desk PLUS

### EXTERNAL HARD DRIVE

The LifeStudio™ Desk Plus external drive automatically finds and organizes photos, movies, music, and files into a stunning 3D wall\* so you can easily view all your content from your computer and popular sites like Facebook™. The included auto-sync USB key delivers ultimate flexibility for your content on-the-go.

With plenty of capacity for automatic local backup and with the included online backup capabilities, it's easy to protect your entire digital library. And you can access your files from any computer or smartphone using an internet browser, or share with others by sending a web link. iPad and iPhone apps are also available for an additional cost.

More than an ordinary hard drive – this is the hard drive re-invented.
